Sunday 4th June

Rockpools, Wildlife & Forage - Clonque Bay (Meeting at Fort Tourgis Car Park)

14:00 PM / £7 adult, £4 child (20% discount to members)

Our Marine Team invite you to the foreshore to learn more about what makes Alderney so special. From sustainable foraging to getting wet discovering the island's hidden natural world – this is an event for everyone!

Over twenty years ago, Alderney's community came together to found the Alderney Wildlife Trust (AWT) to **campaign for, study and protect wildlife on Alderney.**

Since its establishment, the AWT has received incredible support from a dedicated team of wildlife enthusiasts, what we like to think of as the 'Team Wilder'. This team isn't just limited to residents and AWT members, it includes people from all walks of life who have an interest in our island's wildlife.

This Wildlife Week, we're inviting everyone to join in and celebrate Alderney's natural world! Whether you would enjoy discovering wildlife up-close with our Morning Moth Mayhem or taking a breath and appreciating the environment with our Sensing Nature Walk...there's something for everyone!
